Endorsement of Ons Nagara for IEEE IES SYP 3.0-2026

The IEEE Industrial Electronics Society Tunisia Chapter proudly supports and endorses the participation of its Student Member, **Ms. Ons Nagara, Secretary and Chairperson** of the IEEE IAS/IES/PES ESPRIT Student Branch Joint Chapter, in the IEEE IES Students and Young Professionals Congress 2026.

As a dynamic community of students and young professionals, the IES Tunisia Chapter strongly encourages its members to engage in international activities that promote knowledge exchange, technical collaboration, and professional development. The IEEE IES SYP Congress represents an excellent platform for networking with global experts, discovering emerging technologies in industrial electronics, and strengthening connections between academia and industry.

Through this endorsement, we encourage **Ms. Ons Nagara** to actively participate in this international event. Her engagement within IEEE has been marked by strong involvement in Industrial Electronics Society activities, notably contributing to the achievement of **3rd place in the IEEE IES Inter Student Branch Chapter Competition, 3rd place in the IES Technical Challenge TSYP 13**, and the recognition of her chapter with the prestigious **2025 IEEE IES Student Branch Chapter of the Year Award**. Additionally, her role as a logistics partner in both the **IEEE IES Day celebration of the Tunisia Section** and the **“Tunisian IES is the New Carthage” event held at ESPRIT** highlights her professionalism, commitment, and ability to support impactful technical initiatives.

The IEEE IES Tunisia Chapter remains committed to supporting initiatives that empower our Student Members and foster innovation in the field of industrial electronics.

Sincerely,

Mohamed Ali Krichen
Chair, IEEE IES Tunisia Chapter
